The Collectors of South Arcot and Cuddapah have not furnished correct figures in columns 5,6 and 7 both in respect of new and old wells under the Accelerated Scheme. The figures furnished in columns 5 and 6 have apparently been included in the figure in column 7 also. Necessary alterations have been made in respect of new wells. /2.

In respect of old wells, however, the total of columns, 4 (c), 5,6 and 7 in the return from South Arcot Exceeds that shown in column 2. In the return from Cuddapah similar discrepancies are noticed in respect of new wells subsidised under the Ceded Districts Modified Scheme. The Collectors are requested to get the discrepancies reconciled at an early date and see that correct figure are furnished in the return from October 1948 to be submitted in November 1948.

The Board observed that in spite of many extensions of time already granted, a large number of well works is still reported to be in progress. The Government have been addressed for the grant of further extension of time till 31-3-49 in respect of new wells where the works are in an advanced stage of progress. Collectors are requested to take steps for the recovery of the subsidies in all cases of New wells where work has not yet been started and in all cases of old wells where work has not been completed.
